

“Carrying Joy, Bringing Hope”

2020, with a pandemic and a lockdown, has been challenging, to say the least, but we at Bags of Blessings have not been idle.

We have modified our storage unit to accommodate safe working practices and adapted our procedures to make sure that everything we send out has been prepared and packed in a Covid-secure atmosphere.

Due to Covid-19, we anticipate a greater than normal demand on our services this Christmas, but, conversely, we expect that we will struggle to meet that demand, taking into account remote working and fewer (if any) group meetings. We are, therefore, having to find new ways to find donations and we are respectfully asking all who are able to become a ‘mini’ collecting point. If you would consider collecting from friends, family, colleagues or neighbours we will happily collect anything you have, and you will have the satisfaction of knowing that you have helped make a young person’s Christmas just that little bit happier.

If you can help in any way please get in touch: our dedicated appeals phone number is 07821 589191, or you can ring Chris on 07921 256765 or Debbie on 07504 023428 – or email us at bagsofblessingsnotts@gmail.com. Have a look at our website (going live within the next week or so), [www/bagsofblessingsnottingham.org](http://www.bagsofblessingsnottingham.org) to see what we have been up to.

During this unprecedented time, when we are still living under the shadow of a pandemic, it is more important than ever for us all to work together, to build up our communities and ease the burden for those less fortunate than ourselves and we sincerely hope that we can count on your support.

Blessings and thanks from the BoBs Team, Chris, Debbie and Lucky.
